J.F. Webb High School
Oxford, North Carolina

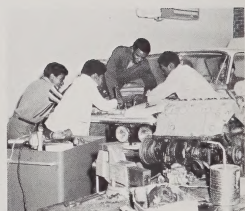

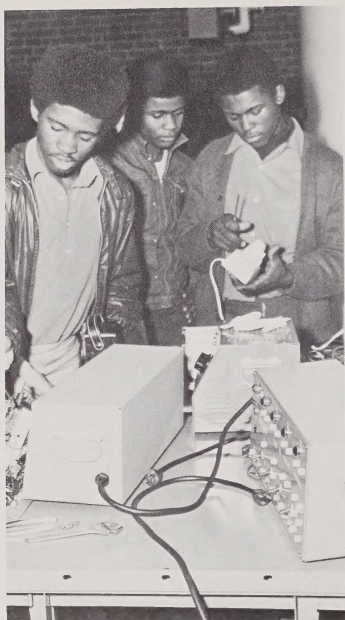

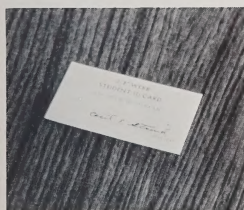

Throughout this past year many different attitudes have been shown: ones of encouragement, indifference, and dislikes. You, the people of Webb are the most important part of its activities. Without taking the proper perspective on matters involving school, complete unification into but one body will never be achieved — a goal that must be reached before great progress can be made.

Emotions have been shown openly . . . tension being present to a certain degree. This problem having been met head-on, the students were able to conquer it and now peace prevails.

The past year, though many problems existed, was filled with success. If, as a body, situations are tackled head-on, the high ideal will be achieved . . . complete unification!

Lord, make me an instrument of Thy
peace!

Where there is hatred . . . let me sow
love.

Where there is injury . . . pardon.

Where there is doubt . . . faith.

Where there is despair . . . hope.

Where there is darkness . . . light.

Where there is sadness . . . joy.

O Divine Master, grant that I may not so
much seek

To be consoled . . . as to console,

To be understood . . . as to understand,

To be loved . . . as to love:

For

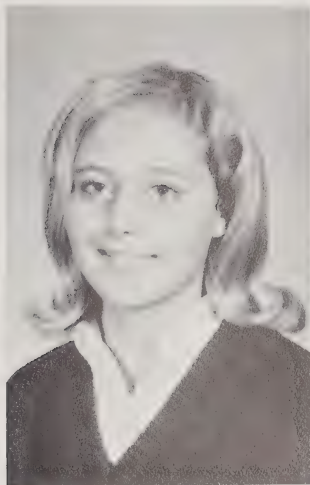

It is in giving . . . that we receive;

It is in pardoning . . . that we are par-
doned;

It is in dying . . . that we are born to
eternal life.

St. Francis of Assisi.

Office Assistants

Anne Pruitt, Merle Jackson, Gwen Lindsay

Besides enjoying the daily gossip from one another, the Office Assistants have been known to answer the phone, deliver absentee reports, and carry on the other responsibilities with amazing efficiency from time to time. The school faculty certainly does appreciate the fine job that these girls are doing.

Scholarship

Twenty-four seniors are the members of the 1970-71 National Honor Society. These twenty-four Seniors are well aware of the fact that membership into the Society is a great honor. With meetings held once a month, the members have experienced a feeling of togetherness among themselves while having served a meaningful purpose. One of their major

projects this year was compiling a Christmas Booklet for each faculty member at Webb. It was reported a great success! These top students at Webb are learning through their experience in the National Honor Society that some day they will be the leaders of their community.

Character

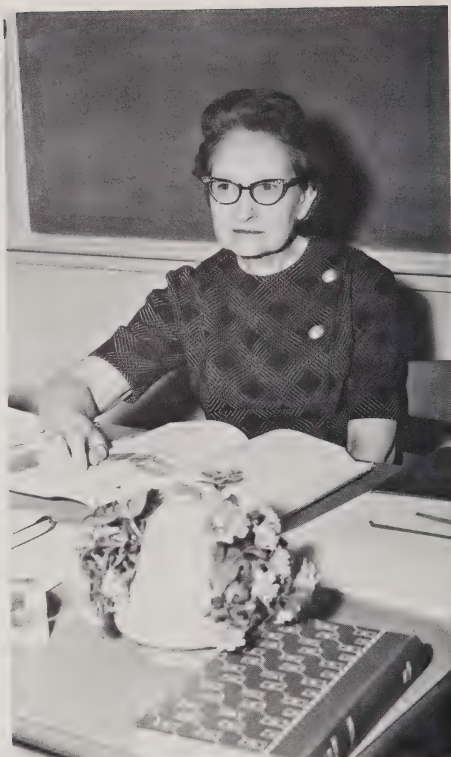

Service

Seniors

The inevitable has crept up slowly; yet, it has caught many of us by surprise. For twelve years we have been traveling on that long tedious road in preparation for this very moment—GRADUATION—the end of our “childhood days, memories, thoughts, and actions”—the time we put away our childlike dreams and fantasies forever, and start venturing out on our own. But, are we prepared to reach the end of the long journey?? Time waits for no one, and whether or not we are prepared makes no difference. Our past is behind us—now we must look to the future, seize the opportunities, and achieve whatever we can.

We have been given a short time on this earth. During the first eighteen years of our life, what we have done or did not do is out of our feeble reach forever. But in these remaining years, let us not forget we are here for a purpose. Whatever it is, let us strive to be all that we can be.

As the Class of '72 looks back on their past three years of high school, perhaps even with a touch of nostalgia, we see that we've been through a lot together. We realize for the first time we only have one year before we must face the world by ourselves.

But when we think of our Junior year we will not only remember the work, the frustration, and the disappointments but also the joy, the excitement, the fun and the satisfaction.

We will remember the PSAT, the college board, exams and grades; but we will also remember our first Junior-Senior and class rings. Then suddenly we will realize it was really worth every bit of the time and effort.

And now as we go forth to take our position as the leaders of Webb, we sincerely hope it will be every bit as rewarding as our Junior year was.

Class of "73" . . . my how time flies. It seems like only yesterday when we entered Webb as Freshmen.

Now we have returned as settled sophomores . . . assured of our place at Webb . . . striving to set the pace for a superb year . . . by exhibiting a newly acquired authority . . . enthusiastic spirit at ballgames . . . and a feeling of sophistication.

Our first class meeting . . . electing class officers . . . planning for Christmas vacation . . . looking forward to the first game in the new gym . . . relieved when exams were over . . . counting the days till summer vacation.

Being constantly reminded of the struggle we'll face before becoming seniors . . . but pleased to be re-turning as juniors.

Homecoming 1970

Music filled the air and spirit rose to an enormous height. The bonfire blazed ferociously, spreading its warmth to the already invigorated Warriors. It was indeed a time of excitement, for on the following night the WEBB WARRIORS would face the ORANGE PANTHERS.

Soon it was time for the long-awaited night, and Queen Teresa was crowned at half time. Although we lost the game, Saturday night made up for the loss. The gym, decorated with a crescent moon, stars, and zodiac signs, made everyone groove to the sounds of "THE STACKS OF GOLD." Surely this Homecoming '70 is a fond memory never to be forgotten.

Varsity Cheerleaders

This year as our Varsity Cheerleaders sent all kinds of "smoke signals" trying to boost school spirit, they once again proved their cheerfulness, bounce, and ceaseless energy. Long practices, numerous posters, and many hours of planning from these girls certainly kept our Warriors on the Warpath.

Offering her help and guidance was Miss Betty Adams, cheerleader advisor.

Often the student body fails to realize the importance of cooperation on their part. Perhaps we should try to remember that these girls have been chosen to represent us, and we should support them with an all-out effort. Let's give a salute to our girls — the Varsity Cheerleaders.

After a hard-fought season, the Webb Warriors finished with a disappointing record of 1-8. However, the mighty Warriors, whether they won or lost, displayed an inexhaustible supply of courage, energy, determination and dedication in every situation. The Warriors are to be admired for these great qualities of sportsmanship.

With the dedicated efforts of Coach Deters, our football program is in the process of being completely rebuilt, and we know it will be a success.

Even though our season was not outstanding, the coaching staff and boys who played will always be outstanding in our estimation!

Varsity Basketball

Under the direction of a new head-coach, Mr. James A. Moseley, and his assistant, Mr. Harold Deters, the team is looking forward to a most successful and rewarding year.

Under the leadership of the captains, Frank Rogers, Ralph Jones, and Leonard Paschal, the team has been very victorious.

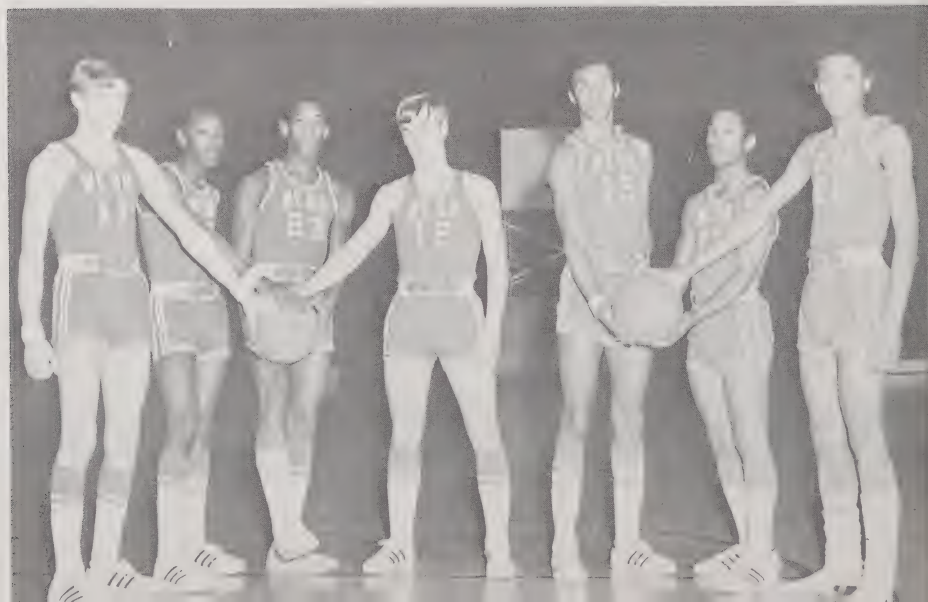

In the 3A CONFERENCE, Frank Rogers and Leonard Paschal are among the top Five scorers. Through long hours of practicing, the WEBB WARRIORS have proven to be an aggressive team.

Vivacious, animated, lively, and dedicated are words that describe our new J. V. Cheerleaders. Although they were late in getting started our "little warriors" still supported their J. V.'s loyally and kept spirit up during the games. A lot of the credit goes to Mrs. Lumpkins, their advisor, who worked hard at making Webb proud of the J.V. cheerleaders.

Hope and hard work, upheld by cooperation, have been the keys to the success of the 1970-71 Student Council. Controversy, debate, compromise, settlement—the Student Council has heard it all and “run it through the mill.” Success is the final product.

The Student Council has worked most diligently this year in the field of better understanding between students and faculty. It has been through the efforts of this student governing program that Webb has come to be one of the more unified schools in this district. To the members of the Student Council, we express our gratitude for their leadership and service.

The assembling of a yearbook . . . a very awesome task! Reflections of the attitudes, changes, and experiences, of a single school are portrayed in the book, hopefully an accurate description of the history of the J. F. Webb Student Body of 1970-71.

Into this annual has gone the efforts and ideas of many people, endless hours of pondering, drawing layouts, picture identification, selling ads, and the writing and typing of copy. These and other steps are no longer the important thing. The important thing now is . . . YOU, the reader. You make up the book.

I would like to express my deepest appreciation to the staff and to Mrs. Kay Slaughter and Mrs. Mary Ellen Thorp for their sincere interest shown and efforts and hours spent making the publication possible. Without them it would have been an impossible task!

Through numerous difficulties and handicaps we struggled, emerging with a book . . . your 1971 yearbook . . . which I present to you, the Students of J. F. Webb, with much pride.

Searching for news and opinions circulating at Webb is not always easy! The editor and associate editor are always trying to find new ways to depict Webb as it really is.

This year there are four six-page issues which contain the straight news stories and the creative efforts of many students. A number of businessmen in the community help support the paper, along with its 490 subscribers. The various departments within the staff are responsible for novel approaches to viewing warrior life. These are the Public Relations, Art Entertainment, Sports, Business, and Literary Departments. They are combined with the club reporters and typists to produce a newspaper that is considered profitable reading.

It is this club that looks after publicity, bus riders to games, sponsoring dances, decorating, and providing good spirit toward the games.

"Oh Y.I.T.A.S. means Youth In Total Appreciation of Sports—like a monogram club."

"Oh yeah."

Y.I.T.A.S. members all have one thing in common; a complete dedication to the athletic program at Webb. They are continually striving to serve Webb's booming athletic program, by many projects, including supporting an underprivileged family at Christmas, and operating the concession stands at every home baseball and basketball games. Y.I.T.A.S. members are very proud of our new gym and want to encourage the highest standards of sportsmanship possible at all Webb athletic events.

Key Club

Stewing up something, Boys?

The Key Club is supported by the Oxford Kiwanis Club, and is in service with many other Key Clubs throughout the nation. It is a composite of boys selected from the Junior and Senior Classes. This club promotes such high objectives as developing initiative and leadership, serving the community as well as the school, and attaining good sportsmanship in all aspects of life.

J. F. Webb has benefited greatly from the services of the Key Club, though it is a relatively new club. As the club adheres to its motto, "We Build," both the school and the community can look forward to the beneficial services of this club.

Library Club

The Library Club holds several meetings during the year and attends both district and state conventions of the North Carolina High School Association.

In addition to library assistants, several boys volunteer their time and talents to assisting with operation and maintenance of audio-visual equipment circulated through the library.

This club also provided Valentines Day entertainment for the faculty.

"Sing the JCL Song Gang!"

Webb's JCL Chapter (Latin Club to many) invests its members with definite benefits, such as monthly club programs, the fabulous Romans banquet in April, and the privilege of attending state and national JCL conventions.

Sixteen local Romans attended the national convention last August in Athens, Ohio. It was a "natural" for some of them to report to the convention tour (12 days) and at Chapel Hill at the state convention in March.

Minerra furnished the inspiration for the annual banquet this spring, for which Mary Thomas and Amine Cumpton directed the dance rehearsals.

New rulers were crowned by outgoing Jeff Averett and Gwen Dickerson.

With the new club system begun this year, the renewed French Club is thriving! Its membership has hit a grand total of 125.

Programs for each monthly meeting are given by one of the three divisions of the French Club—French I, French II, French III.

French Club members experienced a great feeling of satisfaction in knowing that their "adopted family" had a warm, happy, and meaningful Christmas. The members very unselfishly gave food, clothing, and toys to their family of nine.

The great annual event of the French Club is the colorful and exciting Mardi Gras, a masquerade dance which holds new surprises each year.

Spanish Club

Mr. John Maynard, Advisor; Betsy Wilkins, Secretary; Jeff Averett, Vice President; Lanny Dillehay, President; Bob Currin, Treasurer

This year Webb has gained a third foreign language club. This is the Spanish Club with Mr. John Maynard as its advisor. At each club meeting a program is presented or there is a guest speaker. At Christmas time a needy family received a Merry Christmas, as many Spanish students presented them with gifts, clothing, and food. Santa Claus was on hand to give out the gifts.

During the month of March, the Spanish Club will have a Fiesta, which is the equivalent of the French Mardi Gras. All Spanish students are looking forward to this gala event.

Concoct that chemical mixture!

The J. F. Webb Chapter of the Future Scientists of America is an organization consisting of interested students who are or have been previously enrolled in a high school science course. Its objectives are to broaden one's knowledge of the scientific world and to further develop a favorable attitude toward science.

The programs are designed to interest students and enable an individual to become more informed about this remarkable aspect of life.

Mr. Allie Ellington, Mr. Frank Scott; Advisors

This year's FORENSIC SOCIETY has been re-organized with new sponsors. They are Mr. Frank Scott, Jr. and Mr. Allie Ellington. The enrollment has increased over that of last year. Presently, the new comers are being introduced to the basic fundamentals of debating.

The goals of the club are to make preparations to participate in the contests given throughout the year. Although WEBB has other outstanding clubs, the FORENSIC SOCIETY is one of the most challenging.

The Drama Club is a new scene at Webb this year. Although it was begun last year, it didn't get into full swing until recently.

The Drama Club has a fairly large membership, and several of the members have described it as a nice atmosphere where one can meet and work with nice people.

Three large productions are being produced this year. ELIZABETH and ANASTASIA are contest plays for competition in the District Festival. MY CHINA DOLL will be a public performance in the spring.

Camera Club

Mr. Harvey Howard, Advisor

This year Webb has been introduced to the newly formed Camera Club. As its advisor we have Mr. Howard, who teaches Biology. The Camera Club's objective is to gain more knowledge and skill in the world of photography. During their club meetings they are planning to ask professional photographers to speak to them.

"A winning team"

There have been several new clubs organized at Webb this year. One of them is the Chess Club. This club meets one night a week. The members receive lectures on game strategy. The club consists of about ten people. The club sometimes have eliminations among themselves to find the best man. The club is planning to join the United Chess Foundation soon.

The J. F. Webb Chapter of the Future Teachers of America is open to any student who is interested in teaching as a profession. The organization has six purposes: (1) to learn about the teaching profession, (2) to explore each member's interest in relation to the various fields of teaching, (3) to increase respect for teaching and teachers, (4) to cultivate in the members the qualities essential to good teachers, (5) to learn about teacher preparation, (6) to study the lives and influence of good teachers.

"A man's home is his castle."

"Home is where the heart is."

How does one describe a home?

To FHA members a home is the place where you live, where there is truth, love, security, and faith.

J. F. Webb FHA members are truly aware of the fact that the future homes of America are in the hands of its youth.

Through its meetings, projects, and conventions the FHA members are striving to live up to their motto to learn to live better today in order that our lives and those of our family may be better tomorrow.

Future Farmers of America

Soil Testing Campaign

One of the outstanding aspects of Webb's Future Farmers is that they benefit in many ways. Not only do they benefit from gaining experience in farm techniques, but the members also serve community and school.

The advisors this year are Mr. John Gooch and Mr. Tom Thornton. These advisors assist students greatly in learning to be future farmers. But the FFA is not all school work.

The FFA promotes better relations between parent, teenager, and teacher. The FFA has activities such as the Father-Son Banquet and night meetings with refreshments or a good supper followed by entertainment from an outside speaker. This club is for people who look forward to ag futures or just want to gain knowledge in agriculture.

DECA

It is a program of education which provides instruction for those entering or engaged in activities necessary to move products and services from the producer to the consumer.

This program combines part-time work experience with practical in-school instruction so that upon graduation students will be well qualified employees and useful citizens.

Through combined in-school instruction, on-the-job training, and careful supervision of trainees by the teacher-coordinator, the best qualities of the students are discovered and developed.

Students spend part of their time in school and part of their time on the job. In addition to required school subjects, they study basic subjects, such as salesmanship, merchandise information, business organization, economics of distribution, stock-keeping, color design, display, advertising and business law. In school boys and girls learn the "why" of their jobs so they will associate the functions of their present or future employment with the general business picture. Knowing the "why" they can tackle the "how" of jobs with more understanding and intelligence.

Objectives of the Club

Receive school credit for on-the-job experience

Earn as you learn

Develop poise and personality

Receive experience in a variety of operations

Develop good work habits through school and business supervision

Learn early to assume responsibilities required in business

Learn how on the job and why in school

The Vocational Industrial Clubs of America is the official school club for all trade and industrial education students. Students pay yearly dues to VICA to finance club functions. They elect officers who will serve them. There are actually two divisions of V.I.C.A. One club serves I.C.T. students while the other serves trade preparatory students. An annual V.I.C.A. Industry Day is held and students travel by bus to local industries to observe industrial operations. The I.C.T. Vica organization sponsors the annual Employer-Employee banquet, which honors all employees who participate in the cooperative program. The I.C.T. Vica is proud of its accomplishments in competition with Vica clubs in the state. The Webb Vica already has 10 trophies on display, including second in North Carolina in Vica Safety and first in parliamentary procedure. The Vica club has been honored by guests such as S.B.I. director Charlie Dunn.

Band

Rebecca Ison, Drum Majorette

As the school year 1971-72 opened the J. F. Webb High School Band was ready for their active schedule. Webb Band was under the competent leadership of Mr. John D. Wrenn and the assistant, Mr. Curtis Tillotson.

The band presented the entertainment during the half-time at the football games. They opened the season playing the popular song, "Raindrops," with the majorettes doing a dance and twirl routine with umbrellas.

All the preparation and extra rehearsals were for the main event, which was the Contest, held in Greensboro.

They will conclude their school year with a Spring concert and a week at Myrtle Beach!!

Chorus

The Webb High School Chorus under the direction of Miss Judy Hoell is comprised of seventy members this year. The chorus emphasizes performance and therefore gives two concerts yearly. They are presented at Christmas and in the spring as well as singing at graduation. The chorus also participates in choral workshops and choral contests in Durham.

The chorus hopes to perform more for the student body in special assemblies now that Webb has a gymnasium.

Bus Drivers

Webb Bus Drivers

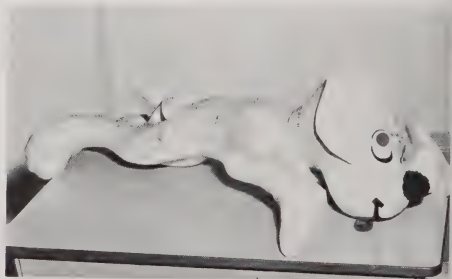

Each of our bus drivers assumes much responsibility each day as they drive their buses back and forth to school. The drivers transport 50 to 75 students a day. This takes much alertness and dependability on the part of the drivers. Their bus duty keeps them from many club meetings after school. Our sincere appreciation goes out to these drivers for their unselfish service.
